

**Senior Vice President & Global Head of Qualcomm Ventures | San Diego**

# Quinn Li

---

Quinn oversees Qualcomm's \$1B global venture investment portfolio of 150+ companies across seven global regions. Quinn and his team invest in key areas such as 5G, AI, Automotive, IoT and Networking to help expand Qualcomm's ecosystem of customers and partners. He currently serves as a board member or observer in Airspan, ClearMotion, Cohesity, Innovium, OneWeb and RetailNext. Quinn has led over a dozen investments with successful exits in A123 Systems, Eero, InvenSense, Powercloud Systems and Zoom.

Quinn started his career as an engineer working on 3G wireless technology and standards development at Lucent Technologies. Prior to joining Qualcomm Ventures, he worked in product management and business development in IBM Systems and Technology Group. Earlier, he worked on wireless technology development at Broadcom.

Quinn received his MBA from Cornell University, and his B.S., M.S. and Ph.D. in Electrical Engineering from Washington University in St. Louis.
